I have reviewed the writing project of senior honors seminar candidate:

_____________________________________
Student Name

_____________________________________
Student PID

I recommend this student for admission into, and I will advise this student during their participation in the Political Science Senior Honors Seminar.

_____________________________________
Printed name of Political Science professor

_____________________________________
Signature of Political Science professor

_____________________________________
Date

To the student: Before requesting a faculty signature on this form, please print an unofficial copy of your transcript for their review. From StudentLink hit the link that says “sort by subject”. This will make the form easier to read, as it will print in order of subject versus quarterly.

This signed form must be returned to Mary Quisenberry (Social Science Building Room 301) prior to the beginning of the Fall quarter in which you will enroll.
