**Senior Honors Seminar Recommendation Form**

**Student Name:** \_\_\_\_\_

**Student PID:** \_\_\_\_\_

**STUDENT FILLS OUT**

**Please Initial ALL of the Following Three Items:**

I have reviewed the expectations and requirements of the Senior Honors Program.

I have printed out an unofficial copy of my transcript\* for review by the Faculty Advisor.

I have answered the questions in the box on Page 2 of this document.

*Students are strongly advised to reach out to eligible faculty members, as securing your own advisor may increase your probability of acceptance and improve your experience. As a last resort, you may apply without securing an advisor first. While we will do our best to guide students to appropriate and available thesis advisors, the expectation is that students will reach out directly to faculty with their thesis ideas to secure an advisor.*

**Please Initial ONE of the Following Two Items:**

I have secured a Faculty Advisor, who has reviewed my writing sample\*\* and has filled out the Page 3 of this document. I will skip pages 4-5 below and will not upload a writing sample.

I have NOT secured a Faculty Advisor. To be eligible for the Senior Honors Program, I must complete pages 4-5 of this document, and I must upload a writing sample.\*\*

**This signed form must be submitted through the Department Google Form by the due date noted on the Department Honors webpage:**

\*On your Academic History, choose “sort by subject”. This will make the form easier to read, as it will print in order of subject versus quarterly.

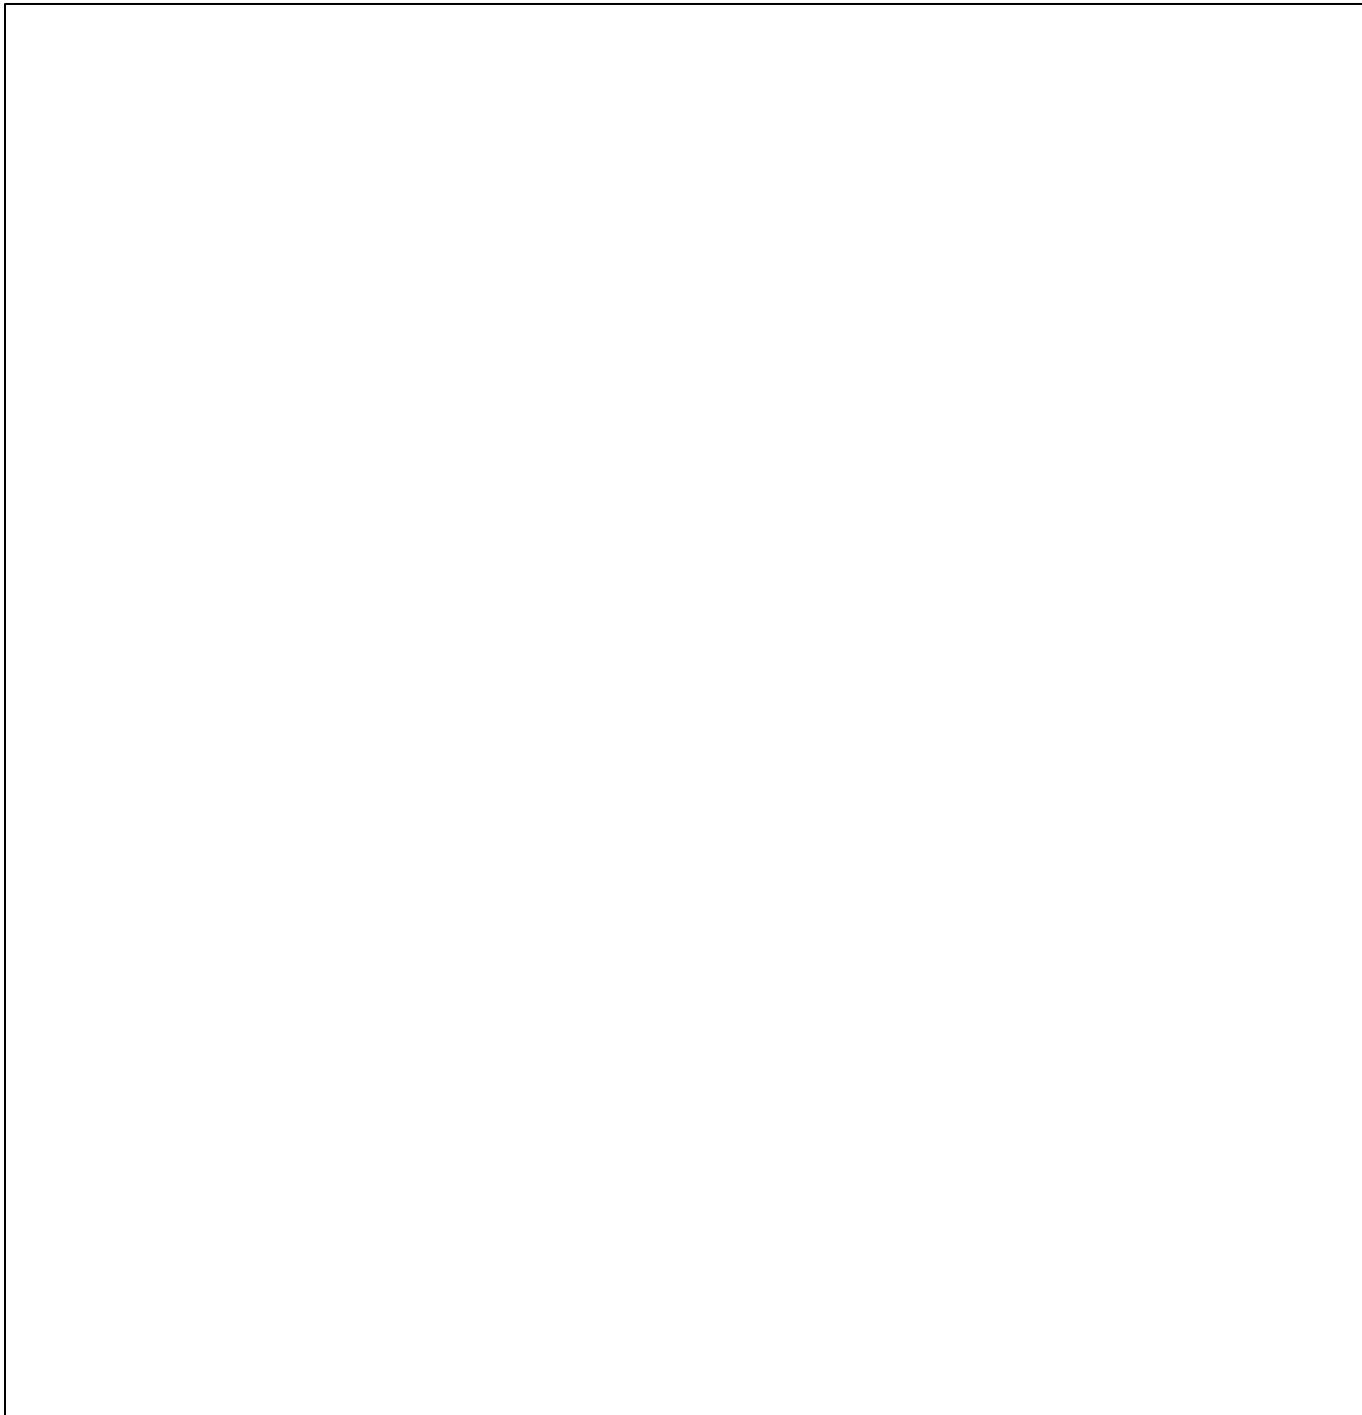

\*\* Writing sample does not necessarily need to be from a Political Science course. Examples of writing samples can include, but are not limited to: course papers, research projects, legal briefs, case study analysis, dataset analysis assignments, and policy analysis assignments.
