IMPORTANT: Please be aware that **any faculty member with an adjunct appointment with the Political Science Department** is *unable* to serve as the outside committee member on a student’s committee; this can prove problematic as we have close ties with the School of Global Policy and Strategy (GPS). If you would like to have an adjunct GPS faculty member, for example, serve on your committee, you may need a 6th member. The 6th member does not have to be tenured, on the condition that the adjunct GPS faculty committee member is. Please review the department’s website to ensure the most accurate information with respect to faculty members who hold an adjunct position: <http://polisci.ucsd.edu/about-our-people/faculty/faculty-directory/adjunct-faculty/index.html>.
